

Dear Commission Members,

Attached are some suggested edits to the History/Social Science Framework. I have tried to keep these as brief as possible but there are some significant omissions in the current draft.

These edits have been endorsed by the following organizations:

- 1 – California Council on Economic Education
- 2 – California JumpStart Coalition
- 3 – Richard Myles Johnson Foundation
- 4 – California & Nevada Credit Union Leagues
- 5 – San Diego Center for Economic Education
- 6 – Economic Education Foundation of San Diego
- 7 – Junior Achievement of San Diego

I would be happy to discuss these with you at your convenience.
